

Presenting Sponsor

Donation Value \$2,500.00

The Presenting Sponsor will be available to make an opening statement at the start of the tournament. The Presenting Sponsor will award the trophy to each of the winners. We estimate a minimum of 100 players and volunteers in total. A more accurate count will be available by October 5th.

Within the Dining Room the Presenting Sponsor will be able to display signage along with the Dinner Sponsor.

The Presenting Sponsor will also be assigned a hole on the course to meet and greet players. The golf course will provide a table and chairs. The sponsor must stay within the designated area outlined by the golf course management to insure the safety of everyone. Golf course appropriate attire must be worn at all times.

Golf course management will assist with delivering any necessary items to the assigned area(s).

All signage and marketing materials are the responsibility of the sponsor.

It is recommended to have a tent for shade along with a cooler for refreshments.

A volunteer will be available to drive sponsor's representative to and from assigned hole. If required, a cart may be rented by the sponsor.

It is recommended that the sponsor provide a golf related gift bag item to handout to the players as they pass the hole.

Sponsorship Includes One Foursome
