

Primary Beverage Sponsor

Estimated Value \$1,500.00

The Primary Beverage Sponsor will have 2 locations on the course. Location #1 is at the start of the event which covers lunch & dinner. Location #2 is at the course turn and players pass that point twice during the event. At those locations we ask the sponsor to collect cash donations for the beverages being provided. We estimate a minimum of 100 players and volunteers in total. A more accurate count will be available by October 5th.

The value of the beverages will be considered a like kind donation to Children's Miracle Network.
