

## **Hole Sponsorships 2011 Play4TheKids Tournament**

*Donation Value \$1,000.00*

The sponsor will be assigned a hole on the course. We estimate a minimum of 100 players and volunteers in total. A more accurate count will be available by October 4th.

The cost of the sponsorship will be considered a standard donation to Children's Miracle Network.

The golf course will provide table and chairs. The sponsor must stay within the designated area outline by the golf course management to insure the safety of everyone. Golf course appropriate attire must be worn at all times.

Golf course management will assist with delivering any necessary items to the assigned area.

All signage and marketing materials are the responsibility of the sponsor.

It is recommended to have a tent for shade along with a cooler for refreshments.

A volunteer will be available to drive sponsor's representative to and from assigned hole. If required, a cart may be rented by the sponsor.

It is recommended that the sponsor provide a golf related gift bag item to handout to the players as they pass the hole.

In 2010 one of the most talked about holes was hosted by Linda Stratton of Advantage Mortgage Partners. Could it have had anything to do with the Margarita Machine?
